To Whom It May Concern:

I have had the pleasure of knowing and working with Lisa Miller for the past two years on Tuzer Ballet's Nutcracker and Tuzer Dance School's Circus Circus productions. In her position as Lighting Designer and Production Manager, she has done an excellent job.

Lisa is well organized, dedicated, reliable, and trustworthy. She is incredible at bringing her attention to small details and making sure everything runs smoothly. She is able to effectively multi-task to ensure that all projects are completed in a timely manner and maintains a very high standard quality of work.

Taking pride in her work is what makes Lisa stand out. She comes up with innovative ideas and implements them. When she is given an idea, she makes it happen, and most of all, she remains calm during stressful periods.

Lisa is always willing to offer her assistance and has an excellent rapport with the people around her. She would be an asset to any production, and without hesitation, I recommend her for any endeavor she chooses to pursue.

Yours truly,

Laurie Sullivan
